Shredding Events

May 2011

Thank you for taking time to read our newsletter! Spring is here and the grass is getting green! This month we want to share some information to help you "Go Green"! Happy May!

Paper Recycling

Did you know...

- To produce each week's Sunday newspapers, 500,000 trees must be cut down.
- The average American uses seven trees a year in paper, wood, and other products made from trees. This amounts to about 2,000,000,000 trees per year!
- The amount of wood and paper we throw away each year is enough to heat 50,000,000 homes for 20 years.

Shredding Events

Looking for a value added service to give your customers? How about hosting a shred day or week right at your business? Fox Cities Records Services can provide you with everything you need to make it happen!

Why host a shredding event?

- Customer appreciation
- Opportunity to meet the community
- Bring in new customers
- Environmentally friendly

Let our friendly staff help at a shred day by disposing of your customer's materials. We

- The average household throws away 13,000 separate pieces of paper each year. Most is packaging and junk mail.

can also drop barrels off at your location for a week long event giving you more time to interact with your customers.

We have had excellent turn out at past shredding days. Call Jake to schedule a shredding event for your business!

We look forward to helping you!

Sincerely,

Fox Cities Records Services
